Inspiration behind BEHT

The inspiration behind BEHT is Pujya Muktanandji, fondly known as Bapu, who lives in Chaparda. Through deep meditation, Pujya Muktanandji has come to his own conclusion that there are two main purposes in life:

1. ***'Swha ma lin rehewu'*** - be aware of your real self all the time, understand who you are and learn to be truly free (Mukti).
2. ***'Jiv Shrusti ne faida thai teva karya karva ane karava, nirmal, sahaj ane shakshi bhave'*** - our purpose in life should be to purely, naturally and selflessly undertake work to benefit all life forms and encourage others to do the same.

Ease the pain of the down-trodden,

પીડિતોને રાહત આપો

Help those who have fallen down,

પડેલાને ઊભા કરો

Help those who are standing to move forward,

ઊભેલાને ગતિ આપો;

Help those who are moving forward to seek the right direction.

ગતિવાનને સાચી દિશા આપો

Our Objectives:

1. ***To provide education***
2. ***To provide relief to the poor, the handicapped, the disabled, the sick and the elderly.***
3. ***To provide relief to victims of disaster***

(*All within the area of benefit of India.)

How you can help...

BEHT

There are many ways of donating towards good causes through BEHT

1) Capital cost towards Education or Health projects

- To donate towards a school or a college contact info@beht.org for further information.
- To donate towards equipment or machines for the hospital, contact info@beht.org for current requirements.

2) Sponsor a student

- A donation of £ 601 annually will educate and board 1 child. BEHT has approx. 4,650 children receiving education at its 4 centres, namely Chaparda, Adhoi, Junagadh and Savarkundla. Of these, about 400 children are sponsored by overseas donors. These are either orphans or children from a very poor background who cannot afford to pay any fees.
- To sponsor 1 street child to educate in our Savarkundla schools is £ 60 per year.

3) Feed the animals in the dairy farm

- A donation of £ 400 will help to feed about 320 cows for a day in the dairy farm, which produces milk for the children, elderly and staff at Chaparda and Adhoi schools.

4) Sponsor the treatment of patients in our hospital

- A donation of £ 100 will help to treat 20 patients.
- A donation of £ 500 will help to treat 100 patients.
  Typically, it costs £ 5 to treat one patient. Diagnosis and treatments are carried out free of charge and the patient only pays for the medicine.

5) Sponsor an elderly person

- A donation of £ 600 annually will help to provide boarding, food, clothes, medicine and other expenses for an elderly person for a year. These elderly people come mainly from small villages and are either living alone or have been cast out from their family with nowhere to go. The majority of them live here in dignity until they die. BEHT has about 100 such elders in residence at Chaparda.

6) To feed the children and elders

- For a special day like anniversary, birthday, engagement, marriage, a religious occasion or in a memory of a departed loved one (tithi), a donation of £ 600 will provide one full meal to about 1,250 children, elders and staff at our Brahmanand Vidya Mandir School in Chaparda.

4,650 children under BEHT Educational Programme

4 Educational centres in Gujarat

200,000 patients seen annually for free in our Health Programme
